

PANTHER PRIDE

School Principal: Lynn Cragg

<http://osb.k12.ok.us/>

Welcome back everyone. We are off to a great and hectic start into our new school year. Lots of activities are already on their way, field trips are scheduled or have already taken place and our kids are out and about doing lots of fun and exciting things.

This is YOUR WAY of learning all about it. We hope you enjoy our monthly newsletters.

Academic Team

Another season of competition has started for OSB's Academic Team. We've played 9 games already at Tahlequah High School, Sequoyah High School, and at Roland Schools. The new questions that OSSAA have chosen for this year haven't slowed down our team!

Here are a couple of the questions we answered:

Q: This traditional musical instrument is usually made from eucalyptus and is believed to be one of the oldest known musical instruments in the world. What is this "natural wooden trumpet" sacred to the indig-

enous population of northern Australia?

Answer: Didgeridoo

Q: In this Edgar Allen Poe short story, an old man is killed because he has a pale, blue "evil" eye. Name this story in which the narrator confesses to murder after he mistakes his own heartbeat for the heartbeat of the man he killed.

Answer: The Tell-Tale Heart

Tuesday meets continue until November when we'll end our regular season at the OSSAA Regionals Academic Bowl on Saturday 12 November.

Team members this year are:

Brianna Brennan,
Garrett Kennedy, Jacob King, Jillian Matthews, Kaylee Ragon, Ariana Richardson, Tai Yauri Thomas, Richelle Zampella

Individual Points as of September 20

Brianna Brennan - 20
Garrett Kennedy - 160
Jacob King - 30
Kaylee Ragon - 50
Richelle Zampella - 110

Boy Scouts

On September 12th the boy scouts had a **popcorn kick off**.

Corny came by and talked to the boys about safe ways to sell.

In one game the goal was to have the most shaving cream on top of the caps. The winners of this game, out of 4 teams, was Ben's team.

The other game required the teams to make sculptures of some kind, but each team had to do something different. The teams created a corn on the cob, bowl of ice cream, ice cream cones, and a bag of popcorn. The winner of this challenge was again Ben's team.

CONGRATULATIONS

The boy scouts are planning a camping trip around the end of October.

Cub scouts meetings will start up the first of October.

Cubs and families, please mark the date, "**Cub Scout Fam Jam**" will be held on **October 24-25th**.

This event is for the cub **and** his family.

Rebecca "Becky" LaRue,
Sponsor

We also played some popcorn games to kick off the sales and finished the evening with some ice cream sundaes.

Popcorn sales will need to be turned in by **October 1**.

Popcorn will be delivered November 15th.

Becky LaRue & Corny

They are wearing shower caps with shaving cream on top.

Updates from our Social Services Department

August & September Students & Staff "Caught Being Good"

- ◆ Shannon Winter - was assisting and encouraging a student in the clinic and helped another student in the lunchroom.
- ◆ Khatungi Bryant - was encouraging a friend by being kind.
- ◆ Shaylin Wells - offered assistance to another student with homework.
- ◆ Mannon Moore - was encouraging and being respectful to a teacher.
- ◆ Kinzie Peters - shared her music and offered encouragement on the route home while stuck in a two hour traffic jam. She was a blessing.
- ◆ Lori Cox - is the most amazing helper in PE. She has taken over the role of helping her lane in bowling!
- she also helps in the classroom and encourages others.
- ◆ Julia Cisneros - is encouraging others by donating her hair to "Locks of Love"
- ◆ Kesslee Travis - was encouraging another student during school hours.
- ◆ Trinity Lewis - was encouraging another student.
- ◆ Deporis Willis - was encouraging another student in class.
- ◆ Ocie Webster, Scott Moore and Xerek Hitchcock - were helping a new student find his way to class.
- ◆ Tressy Anderson - was encouraging a student on the way to the dorm.

"Locks of Love" is a public non-profit organization which provides hairpieces to financially disadvantaged children in the United States and Canada who are under the age of 21 and suffering from long-term medical hair loss from any diagnosis.

Character Word of the Month - September & October

The Social Services and Student Assessment department continues to provide students with positive ideas to help them grow emotionally.

September's "Word of the Month" was **Encouragement**, which is defined as "the action of giving someone support, confidence, or hope."

Students have been reminded of this word and of its meaning regularly during classes and during the daily announcements.

In keeping with this idea, Mrs. Sterling, head of our department, wishes to continue the "Caught Being Good" campaign. She does this by calling attention to simple actions

students do to make things easier for others.

In addition, we are going to be using our Character Building lessons to help students examine family issues, and other social problems we all must learn to deal with in life.

The first theme is "things are changing at our house." During this unit, we want to focus on the arrival of a new baby, the divorce or separation of parents, and the loss of a pet.

Our librarian has helped me to choose some wonderful new books which point out that all life's experiences contain both bitter and sweet parts, and that we can learn how to face and understand them all.

Our goal is to help children understand that while some family issues can be difficult to live with, by working together, families can develop good ways to make these changes contain some positive experiences, and help to make these changes easier to accept.

October's "Word of the Month" is **Tolerance**, which is defined as "Willingness to accept feelings, habits, or beliefs that are different from your own."

As every month, students will be reminded of the "Word of the Month" and its meaning, during the daily announcements, and in class.

Jane Thomas,
Social Services

FCCLA Leadership Conference

On Wednesday, September 21, 2016, the leadership team - Richelle Zampella, Tai Thomas, Nicholas Jackson-Morrison, and myself - traveled to McAlester for a FCCLA leadership conference.

Left to Right: Ariana Richardson, Richelle Zampella, Nicholas Jackson-Morrison, Tai Yauri Thomas

Over three hundred and fifty students from across the state came to participate in the event.

All students were divided into groups and spent some time getting to know each other in different workshops. All of us agreed that we were out of our comfort zone, but it was one of the best experiences we've ever had.

Tai Thomas said, "I had a nice time at the FCCLA conference, the ice breakers were a little nerve racking, but I needed it."

The keynote speaker, who was a former FCCLA member and district officer, offered encouraging words and used a lot of metaphors for explaining what life can be like, what it takes to be a good leader, and how to be successful. The speaker brightened my day and encouraged me to never stop trying to be my best, no matter how hard things may get.

I attended the workshop R&R (Recruit & Reward), which gave examples on how to get members to join FCCLA. It was a great experience because I got to meet so many new people and learned what it's like to be on my own, and not knowing everyone.

Richelle and I attended RATS St. Neve (STAR Events spelled backwards), which provided guidelines for competing in STAR events and stressed how important it is to always be prepared when having to do a presentation regardless of what it may be. The workshop hosts also stressed the importance of making eye contact, not fidgeting, standing up straight, and speaking

clearly enough so your audience can understand what you're saying.

"I have competed in STAR Events for the past two years, and this workshop got me excited for this year's competition," said Richelle.

Nicholas Jackson-Morrison liked being off campus, and the day was more than what he expected. The ice breakers allowed him to meet and greet new people. "We played games and interacted with other FCCLA members."

We all agreed that we had a good time and would like to go again next year!

Ariana Richardson,
High School Student

White Cane Day

Tuesday,
October 11, 2016

10:00 a.m.
until 3:00 p.m.

Arrowhead Mall
501 North Main Street
Muskogee, OK 74401

You are cordially invited to come by Arrowhead Mall to

- ♦ visit with the many knowledgeable vendors,
- ♦ observe the students from OSB demonstrating Orientation and Mobility techniques,
- ♦ Watch Dog Guide demonstrations,

- ♦ take a look at the various displays of technology used by the blind and visually impaired
- ♦ and to learn about the Oklahoma School for the Blind, its long history, and how we continue to strive, to empower students from across the state of Oklahoma to be independent, self-sufficient and productive individuals.

White Cane Day is an educational program to help inform our community about the aspirations, hopes and abilities of individuals who are blind and visually impaired.

The Oklahoma School for the Blind is the statewide resource for

the education of blind and visually impaired individuals in Oklahoma.

We provide a hands-on demonstration lab to assist in selecting appropriate equipment to meet the needs of individuals who are blind or visually impaired.

The OSB Jazz Band will perform in concert at 2:00 p.m.

If you need additional information please feel free to contact me via email at lgraber@osb.k12.ok.us or call 877-229-7136 x 8231.

Linda Graber

Cane Quest - Save the Date

Event Date:

**Thursday,
December 1st**

Permission forms are due Thursday, November 3rd

Are you using your cane skills? Are you practicing orientation using north, south, east and west? How are your human guide skills?

Hopefully you are getting ready for our annual Oklahoma Cane Quest competition. Put Thursday, December 1st on your calendars. Permission forms are on the

way from the Braille Institute and will be due Thursday, November 3rd.

A student's visual acuity must fall within the **B1 through B2 classification range** as defined by the United States Association of Blind Athletes.

Class B1 - No light perception in either eye up to light perception, but inability to recognize the shape of a hand at any distance or in any direction.

Class B2 - From ability to recognize the shape of a hand up to visual acuity of 20/600 and/or a visual field of less than 5 degrees

in the best eye with the best practical eye correction.

Students who do not qualify with these vision requirements may choose to complete the route under blindfold and will qualify as Class B2.

If you have questions about the event, or you are a parent who would like to participate with your child, please contact me at 918-781-8200 or via email at fmiller@osb.k12.ok.us.

Girl Scouts

Girl Scout Troop 11224 had a wonderful time in **Wonderland with Alice** and all of her friends at the **2016 Older Girls Jamboree** primitive camping weekend at Camp Tallchief on Zink Ranch.

A big **THANK YOU** goes out to Mrs. Cotney, Mrs. LaRue, and Mrs. Wilson for making this a great weekend!

Shannon Winter

Special Recognition goes out to **Lorie Cox and Shannon Winter** for receiving the **Golden Spoon Award for FIRST PLACE**

in the Campfire Cooking Contest

-Dessert Division with their entry "The Red Queen's Tarts".

The entire dish was made at camp and cooked on the campfire.

Lorie Cox

I was told by one of the judges that their dish was the only one that was eaten entirely by the judges after their initial sample.

Great job girls!!

Congrats to Troop 11224

"All Camp" Campsite Winners 2015 and **Campfire Cooking Dessert Division Winners 2016**

Girl Scout Fall Product Sale runs Sept. 23 through Oct. 9, 2016.

You can purchase **Candies, Nuts and Magazine subscriptions through the following girls:** Brianna Brennan, Ariana Richardson, Tai Thomas, Brittany Bales, Malerie Levens, Lorie or Josie Cox, Stephanie Story, Gabby King, Mrs. Collins, or Mrs. Cotney.

OSB Fall Festival - Save the Date

October 26th, 2016
- 6:00 to 8:30 pm -

This event will be on Wednesday, October 26th so that the Academic Team can enjoy it as well.

Food items offered at the Rec Ctr. to "dine in" will be:

Nachos, hot dogs, soda, cotton candy, caramel apple slices, and

sugar cookies to be decorated by students and families (*food items are subject to change*).

We will also offer:

- Various games (placed in the hallway/s)
- Bounce houses (in the gym)
- A "haunted hayride"

- A campfire with "scary story" teller/s

Tickets for food, games, etc. will be available for a small fee as applicable.

Please come out and support our school.

Belinda Thomas,
Recreation & Activities
Coordinator

Rec Activities during August & September

Swimming

On **August 24th**, we went to the **Muskogee Swim & Fitness** swimming pool.

The kids had such a fun time.

The staff and students

played tag, 'run from the zombie,' learned how to float and other random and exciting things.

Bowling

On **August 31st**, the kids went bowling and had an

excellent time with arcade games, bowling, friends, music, and fried pickles!!!!!!

The students won hundreds of prize tickets and came home with candy,

rings, noise makers, bouncy balls, etc.

Masquerade Ball Mask Making Night

On **September 8th**, and in preparation for our upcoming Masquerade Ball in October, the students got together for the Masquerade Ball Mask Making Night, to create their own "awesome" masks. The kids had a great time!

The students put puff paint, cardboard designs, and glued feathers onto their personal masks to make them their own unique mask.

The masks are dry now, but we decided to keep the masks here so the kids won't forget them when the Masquerade Ball rolls around. We don't want anyone to miss out on the fun.

After the ball everyone can take their masks home to show them to their family.

Skating

On **September 14th**, our students went to the Muskogee Skating Rink and had a blast!

Besides skating with friends to great music, the kids enjoyed good food and drinks, arcade games, and winning cool prizes.

Two students even won ticket jackpots!

At the end of the night, OSB

returned back to campus after winning thousands of tickets as a whole, and bringing back hundreds of prizes like rings, candy, sunglasses, little stuffed animals, squishy rubber bugs, joke items, etc.

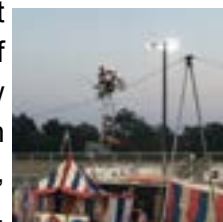

Bedouin Shrine Circus

On **September 20th**, OSB went to the Bedouin Shrine Circus in Tahlequah, Oklahoma and had a wonderful time.

The students got to have snack of all kinds: snow cones, cotton candy, pretzels, nachos, candy, chips, and drinks.

The circus had acrobatics, motorcycling tramps, and motorcycles in a death defying ring circling around an actress,

(Continued on page 8)

Rec Activities during August & September - continued

(Continued from page 7)

tamed animals performing tricks and stunts, clowns, and much, much

more.

The kids had an excellent time.

A **HUGE THANK YOU** to their parents for letting them go, the staff that assisted in

taking them, and of course the Shriners that held the circus and donated tickets so the kids could enjoy this amazing event.

Fall Seasonal Tea Making

On **September 27th**, we made our own fall seasonal tea! The kids were able to mix loose tea mix with special seasonal spices such as pumpkin spice, cinnamon, cloves, nutmeg, etc. to make their own personal type of tea. The kids were given the option to either keep their tea (for personal use) or to give it away as a nice present to parents or loved one.

National Manufacturing Day Field Trip

National Manufacturing Day Wednesday 5 October 2016

Did you know that NewView Oklahoma has more than 100 jobs at their in-house manufacturing plant and with major employees around the state? That makes NewView the leading provider of jobs for the blind and visually impaired in Oklahoma.

NewView Oklahoma is welcoming our students from grades 9-12 to celebrate National Manufacturing Day at their Oklahoma City manufacturing center.

National Manufacturing Day gives manufacturers an opportunity to show the community what manufacturing is.

Our students will learn about the products NewView manufactures,

the jobs that are available for individuals who are blind and visually impaired, and the skills they will need as they prepare to enter the work force.

So, kids, get ready for a day that could help you discover a new career.

Faye Miller

Holiday Food Baskets

The holiday season is upon us and as in years past we have several OSB families in need.

We will be gathering non-perishable food items for the **Thanksgiving** and **Christmas** food baskets.

Please watch for e-mails and notes from the OSB PTO regarding drop-off locations, times, etc.

If you have any questions please contact me via email at lgraber@osb.k12.ok.us or call the school and ask for ext. 8231.

Make all checks payable to Oklahoma School for the Blind. Money due at time of order.

GOING THE EXTRA MILE - AUGUST-SEPTEMBER 2016

Following employees were nominated for their devoted support of our students, staff and school:

Ms. Belinda Thomas. She always tries to help the staff and students in any way she can. She works extra hard in the Rec. Ctr. to make sure the kids have a great time as well.

Ana Ledezma

Mrs. Collins, Mrs. Cotney, Mrs. LaRue, and Mrs. Wilson for their support of our Girl Scouts and for dedicating their personal time to go to weekend camp events, even with storms rolling through.

And **Becky LaRue** for her support of our Boy Scouts. She also dedicates her "free time" to give them the opportunity to be part of club related activities in the evening hours and/or weekends.

Maggie Mattox

Karen Reed for working hours without end on getting all the important IEP information into our new IEP system (OK EdPlan), so teachers don't have to mess with more than neces-

sary at this crazy "beginning of the school year". Thank you Karen.

Maggie Mattox

Robert Miller for assisting me in making our newsletters as JAWS friendly as possible, so the screen reader does not jump all over the place and get the reader totally confused. And for stepping in and going to Space Camp. Thank you.

Maggie Mattox

Laci Goins and **Faye Miller** for working hard with our Academic Team, so they can shine at the Meets and represent our school well.

Maggie Mattox

Laci Goins for all that she does for the Jr/Sr. classes and especially for finding new OSB T-shirts for us to order.

Kathy Adams

Jana Ross for all of her expert help in figuring out the new IEP system. Her help was so needed and she even spent her prep time one day working with me.

Kathy Adams

Ken Miller for willingly taken over the supply dept. assisting staff with their supply needs. I appreciate all he has done to make sure that department runs smoothly.

Marqueta Goad

I would like to thank **ALL that have donated** hair products and their time **to helping our A3 girls.** They all enjoy learning and experimenting with their hair and with the new products. Little

things make a huge impact on all of our students and I have noticed my girls smiling more as they take pride in their appearance. Thank you.

Jamie Allenbaugh

Mrs. Collins and **Mrs. Cotney** worked hard to give our older girl scouts the opportunity to participate in regional camping skills and fun activities with other girl scout troops. Mrs. Collins and Mrs. Cotney gave up valuable weekend time with their families for the sake of giving our students some very special experiences with other girl scouts in northeastern Oklahoma communities.

Jane Thomas

Thank you guys for going the extra mile.

It is highly appreciated.
