

➤ Oklahoma School for the Blind
Rita J. Echelle, Superintendent

October 4, 2020

Dear OSB parents and staff,

We received notification that an OSB employee has tested positive for COVID-19. While we must protect the privacy of the person involved, we believe it is best to communicate transparently with you so you can make well-informed decisions for your family.

There is nothing more important to OSB than the safety and health of our students, our staff, and their families. We are working directly with county health department officials to address this situation.

OSB will continue to follow all COVID-related safety procedures and will move students to distance learning for two weeks (October 5-15) in order to thoroughly clean and sanitize buildings as well as prevent community spread.

COVID-19 is transmitted through person-to-person contact and through the exchange of respiratory droplets. As more cases are being confirmed across the state, we must be vigilant. Symptoms of Covid-19 include fever, cough, and shortness of breath. If you or any member of your family exhibit these symptoms, please contact your medical provider for advice immediately. Symptoms usually appear 2-14 days after exposure.

The CDC recommends the following best practices to help prevent the spread of COVID-19:

- Wash your hands often with soap and water for at least 20 seconds.
- Use alcohol-based hand sanitizer with at least 60% alcohol if soap and water are not available.
- Avoid close contact with those who are sick.
- Cover your coughs and sneezes with a tissue or your sleeve.
- Avoid touching your eyes, mouth and nose.
- Disinfect frequently touched surfaces and objects.
- Stay at home when you are sick.
- Practice social distancing, leaving at least six feet between you and other people.
- Wear a cloth mask in public when you cannot social distance.

Our greatest priority is the safety of our students, staff and community members. It is important to remember that children are greatly influenced by the reactions of adults when facing difficult circumstances. I encourage everyone to remain calm and to be empathic and respectful to those affected.

We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together. If you have any questions or concerns, please contact OSB office at (918) 781-8200. Thank you for your support of OSB.

Sincerely,

Rita J. Echelle
OSB Superintendent
